Re: Sexually Violent Persons Transitional Facility  
Siting Advisory Committee

Dear Dean Stojkovic:

Thank you for contacting my office regarding supervised release under Chapter 980. I appreciate the work that you and the committee have done on this matter.

I will clearly communicate with my constituents the importance of Chapter 980.

I also believe that if the courts strike down Chapter 980, we will all loose.

Although I am unable to assist you with your first two requests, I will gladly work with you on the latter.

Sincerely,
